

TO WHOM IT MAY CONCERN

We, Silverlit Toys Manufactory Limited of 1701-03, World Trade Centre, 280 Gloucester Road, Causeway Bay, Hong Kong, are the owner of the intellectual property rights, including but not limited to copyright in the below super-light weight toy helicopter named "PicooZ™":

We advise the public and notify the buyers that we determine to protect the interests of the buyers and, as such, instituted Court Actions claiming for injunction and disclosure orders against infringers in various countries, including USA, Hong Kong, the People Republic of China, and rest of the world. For details, please browse [www.silverlit.com](http://www.silverlit.com)

Recently, we discovered that toy helicopters with propellers of the following design appear in the market :

**For the avoidance of doubt, we hereby declare that substantive efforts and time were devolved in designing the above propeller and that we are the sole owner of the copyright subsisting in the above propeller. We shall sue infringers who offer for sale and/or sell toy helicopters with compellers of the above identical or substantial design.**

In line with the above, we filed a lawsuit against one infringer named "Mango's (HK) Limited" on 6th February 2007 and have successfully obtained preliminary injunction orders against the said Mango's (HK) Limited and its directors from dealing in or with any toy helicopters with compellers of the above design on 9th February 2007 ("the Order").

For full details of the Order, please browse [www.silverlit.com](http://www.silverlit.com)

We determinate to terminate infringing activities. If any companies, parties or persons who discover any infringing activities of our "PicooZ™" toy helicopter, they are invited to advise us at [legaldept@silverlit.com](mailto:legaldept@silverlit.com)
